

# Park Protector Award 2017

Throughout England and Wales, there are fantastic projects protecting and improving the National Parks.

To celebrate and support this work we run an annual Park Protector Award, sponsored by Ramblers Holidays Charitable Trust.

If you're involved in or know of a project which is protecting a National Park, enter our Award and win a £2,000 grant.

Whether the project is improving biodiversity, restoring built or natural heritage, protecting or campaigning against a threat, involved in rural skills and volunteering or youth engagement or something else entirely, we want to know.

Complete this form by 20 July for your chance of winning our 2017 Park Protector Award.

## The project

Name of the project being nominated:

Name of the National Park the project is being carried out in:

## About the project

Give us the headline information about the project (*max 100 words*):
